The Western Australian Plastic Surgery Centre is owned and operated by 7 plastic & reconstructive surgeons, making it the largest group practice of its kind in Western Australia.

We are located within St John of God Hospital in Subiaco and operate out of all the major hospitals in Perth metro and peripheral areas including Peel, Rockingham, Glengarry and Albany.

The surgeons hold consultant positions in many of the major hospitals in Western Australia and can offer your patients world-class experience and expertise in cosmetic and reconstructive surgery.

The surgeons of the Western Australian Plastic Surgery Centre are committed to providing the highest standard of care whilst making sure our patients are comfortable, at ease and well-informed at every stage.

Contact the Western Australian Plastic Surgery Centre to discuss your patient's requirements.
